8th September 2008

Dear Colleague

The Johnson & Johnson Medical Nurses Education day as part of the annual ASCTS scientific meeting is soon approaching. Again this year it will be held in Noosa, Queensland on Wednesday the 15th October. Registration is now open & online registration is available at;

www.tayloredimages.com.au

A preliminary programme is attached in order for you to consider arranging your necessary study / annual leave & hopefully join us for a stimulating & informative day! This will be followed closely by pre dinner drinks in the trade display area & a wonderful (& all inclusive) conference dinner at 'Bistro C' restaurant. The restaurant being in the heart of Hastings St, Noosa - with water views of course!

I look forward to meeting you all in October. Please feel free to spread the word of the Education day as we aim to make this Nurses Education day our biggest & best yet!

Kind regards,

Julie Hulston
